

Oriana Mariel Guantay

SENIOR B TRANSFER PRICING SPECIALIST

Areas of Expertise / Main Responsibilities

- Updating and preparing company searches, contracts, and comparable interest rate analyses.
- Loading economic models for Transfer Pricing Reports or Benchmarking Memos.
- Preparing annual tax returns (Form F.2668).
- Filing information regimes (AFIP Resolutions 4130/2017 and/or 3572/2013).
- Loading and reviewing TP economic models prepared by other team members.
- Drafting functional analyses.
- Delivering final drafts of Transfer Pricing Reports.
- Maintaining communication and project follow-up with clients.

Experience

Before joining TPIA, Oriana worked as an Experienced Assistant at Ernst & Young (EY).

Her tasks included preparing Transfer Pricing Reports, filing and submitting tax returns to AFIP, and developing functional analyses.

She also maintained communication with EY's global team, carrying out reports and benchmarking translations when required.
